Turn up the HEAT'

September 12, 2016

Dear Friend:

On Thursday, October 13, 2016, the YWCA White Plains & Central Westchester is hosting its Third Annual **Movers & Shakers** event at the YWCA Activity Center in White Plains, NY. Female chefs from Westchester County are coming together, for one night only, to cook for a cause – eliminating racism, empowering women, and promoting peace, justice, freedom, and dignity for all. Our innovative female chefs will **Turn Up the Heat**, as we celebrate and applaud the achievements of our honorees who best exemplify the mission of the YWCA - making the YWCA movement stronger every day. We hope you will consider showcasing your company with a donation for our auction.

The YWCA is the voice for every woman. For more than 150 years, the YWCA has spoken out and taken action on behalf of women and girls. The YWCA is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all.

Your donation will help the YWCA White Plains & Central Westchester to continue to cultivate today's girls to become tomorrow's leaders; put good health and wellness within reach of all, including the developmentally disabled; provide families with high quality child care and early childhood education; restore independence to low income women with housing and services and change the world by empowering women and eliminating racism. In exchange for your participation, the YWCA will publicly acknowledge your contribution, as well as offer signage at the event and mention in all promotional materials pre and post event.

A donation form follows for you to complete and return. We thank you in advance for your generosity.

Sincerely,

Maria Imperial, Esq.
